ANGELBIRD | SOCIAL MONITORING

Social Media Monitoring Report

Report date: 2026-10-30 | Cumulative period: 2026-10-25 to 2026-10-30 | 2026-10-30 15:42 PKT

6	4	2	0	0
MENTIONS FOUND	POSITIVE	NEUTRAL	NEGATIVE	QUESTION

Latest day: 0 verified mention(s) on 2026-10-30. 6 earlier historical mention(s) are shown below and NOT counted as new today.

In one line: No directly evidenced new Angelbird brand mentions were retained for 2026-10-30 from this bounded research run. Previous dated findings are preserved below.

2026-10-30 | NEW FINDINGS FIRST 0 verified new mention(s)

NO DATE-VERIFIED NEW ANGELBIRD MENTIONS

No qualifying same-day Angelbird source was confirmed in the accessible research results. This does not imply universal absence of social activity.

2026-10-30 | RETAIL OBSERVATIONS

No dated retailer promotion independently established in this daily run.

2026-10-30 | SOURCE COVERAGE

No source-specific search coverage logged; treat this daily report as incomplete.

Access limitations: YouTube; Camera Forums; Indexed Social Accounts; Retailers; 1 candidate items excluded: no direct Angelbird mention in original-source excerpt.

EARLIER SOCIAL HIGHLIGHTS 2026-10-25 to previous day

Historical items below are sourced from the previous reference report and earlier saved daily JSON. They remain separate from the newest-day findings and must not be counted again as new.

2026-10-29 1 historical mention(s)

H29-1 | NETNEWSLEDGER / EDITORIAL | POSITIVE | LOW

Angelbird AV PRO SE CFexpress B 512GB included in Canadian camera-card guide

Source: NetNewsLedger / Editorial | James Murray | 2026-10-29
OPEN ORIGINAL SOURCE >

Product: AV PRO SE CFexpress B v4 512GB

VIEW SOURCE IMAGE >

ORIGINAL SOURCE EXCERPT

Angelbird AV PRO SE CFexpress B v4 512GB

What happened: Canadian camera-card shortlist includes the Angelbird AV PRO SE 512GB as a conditional Type B recommendation. Editorial comparison, not independent field testing.

Angelbird impact: Positive editorial visibility with product-specific context.

Angelbird response: Optional: share the editorial mention.

Stats: Price: CAD $529 | Sustained Write: 1,050 MB/s

Reference note: Imported from user's 29-Oct reference PDF; source should be rechecked before treating as new.

2026-10-28 4 historical mention(s)

H28-1 | FACEBOOK / KRISTIAN GILLIES PHOTOGRAPHY | POSITIVE | LOW

Photographer shares Arctic photos captured using Angelbird cards

Source: Facebook / Kristian Gillies Photography | Kristian Gillies Photography | 2026-10-28
OPEN ORIGINAL SOURCE >

Product: AV PRO CFexpress Type A 512GB (as identified in reference)

ORIGINAL SOURCE EXCERPT

Shot on #sonyalpha using Angelbird Technologies cards

What happened: Wildlife photographer showed Arctic imagery and described Angelbird media used with a Sony Alpha. Reference PDF reports card visible in the third photo; comments discuss the photographs rather than card performance.

Angelbird impact: Real-world creator use and potential opportunity for relationship building.

Angelbird response: Optional: reach out to the photographer.

Stats: Page Followers: 17K | Page Likes: 1.1K | Post Views: 575 | Post Likes: 127 | Shares: 3 | Comments: 3

Reference note: Metrics and quotation transcribed from user-supplied 29-Oct report; not independently refreshed.

H28-2 | REDDIT / R/BMPCC | POSITIVE | LOW

Community member recommends Angelbird cards for Pocket OG

Source: Reddit / r/bmpcc | u/InComingMess2478 | 2026-10-28
OPEN ORIGINAL SOURCE >

ORIGINAL SOURCE EXCERPT

The Angelbird cards are the best for the OG.

What happened: Short product recommendation in an ongoing conversation about SD cards for the original Blackmagic Pocket Cinema Camera.

Angelbird impact: Positive peer recommendation; no independently confirmed technical test.

Angelbird response: Not required.

H28-3 | FACEBOOK / CINEMATOGRAPHY GROUP | NEUTRAL | LOW

Used Angelbird card bundle listed in Facebook cinematography group

Source: Facebook / cinematography group | Dan Stilling Dff | 2026-10-28
OPEN ORIGINAL SOURCE >

ORIGINAL SOURCE EXCERPT

This is a 2 x Angelbird card bundle. In great shape.

What happened: Second-hand Angelbird card bundle is included in a cinematography equipment listing, not a user review.

Angelbird impact: Used-market observation, not a verified card fault or rating.

Angelbird response: Not required.

Reference note: Historical report discovery date, NOT independently verified post date.

H28-4 | FACEBOOK / CAMERA MARKET UAE | NEUTRAL | LOW

Used RED KOMODO kit includes two Angelbird CF cards and reader

Source: Facebook / Camera Market UAE | Valeriy Pecherskiy | 2026-10-28
OPEN ORIGINAL SOURCE >

Product: AV PRO CF media and card reader

ORIGINAL SOURCE EXCERPT

2 x Angelbird 512GB AV PRO CF Cards, Angelbird Card Reader

What happened: Used camera kit listing includes two Angelbird cards and the brand's reader.

Angelbird impact: Resale bundle visibility, not customer sentiment about quality.

Angelbird response: Not required.

Reference note: Reference report discovery date only.

2026-10-27 1 historical mention(s)

H27-1 | LINKEDIN / COMLINE FRANCE | POSITIVE | LOW

ComLine France names Angelbird as SATIS 2026 partner

Source: LinkedIn / ComLine France | ComLine France | 2026-10-27
OPEN ORIGINAL SOURCE >

ORIGINAL SOURCE EXCERPT

AJA Video Systems | Angelbird Technologies | Bitfocus | Elgato

What happened: French distributor includes Angelbird among partners appearing at SATIS 2026 in Paris.

Angelbird impact: Trade-event visibility; no customer complaint in the referenced post.

Angelbird response: Not required.

Stats: Reactions: 32 | Comments: 3 | Reposts: 8

Reference note: Reference report notes the post was edited; original date should be rechecked.

EARLIER RETAILER OBSERVATIONS Historical prices are not current quotes

RETAIL 1 | OfertasGaming / Spain

AV PRO microSD V30 MkII 512GB price tracker
